Freight

Nearest operational manufacturing facilities and Prices FOB from one of the following locations:

- **Omaha, Nebraska 68172**
- **Uxbridge, Massachusetts 01569**
- **Rockford, Minnesota 55373**

All freight costs quoted in advance to a specific location & mileage, \$250 minimum. Freight rates may vary with freight companies and fluctuating fuel surcharge. All additional drops and driver unloading assistance subject to additional charges.

Delivery

Under normal conditions, allow 7-14 days lead time for the delivery of all orders. Deliveries are made by covered 18-wheel, 53 ft tractor-trailer. Adequate parking and turnaround space are required at delivery location. Receiving customer is responsible for unloading all deliveries, which requires 4 people. Full size pallets are bulky and weigh 140 to 150 pounds.

Do not expect the driver to help unload material. Any changes in the delivery schedule, additional drops, and/or driver unloading assistance will be subject to additional charges. See loads and packaging below.
